

## AIR's Online Astrology Services Alphee Lavoie and Sergey Tarassov

### Astro Mapping – Locality Maps

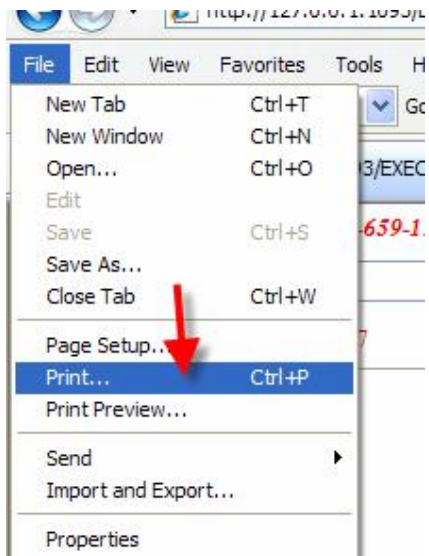

This service allows you to calculate your Locality Maps for the world.

All you have to do is enter your birth information. Refer to our Online Service Help information to “Calculate Natal Chart” if you need guidance to input your birth data.

Click the “Calculate” button and you see a map like the one below appear.

To print this table check the button ‘to Print’  to Print and use the standard features of your browser. For example, if you use Internet Explorer then go to “File”->”Print” menu. You will need to print this in landscape. First click on File, then click on Page Setup and enable Landscape. Now click on Print Preview and see if it fits on the page. You can adjust the size of the graph on the page with the option Shrink to Fit and change it to 100%.

For more cutting edge features in astro mapping, please see our Locality Maps software at [www.alphee.com](http://www.alphee.com).
